

Big Question

Question - Is Jesus God or a human?

Answer - As the Son of God, Jesus is both fully God and fully human.

Bible Time

Jesus' disciples were worried. Jesus had met with them, washing their feet and telling them that one of them—Judas—would betray Him. He said Peter would deny Him. He told them that He was going away, and they couldn't come with Him.

The time was coming for Jesus to accomplish what He had come to earth to do: Jesus was going to die on the cross to rescue sinners. Then He was going back to heaven. Jesus' disciples were confused, so Jesus comforted them and taught them some very important truths.

"Don't let your heart be troubled," Jesus said. "Believe in God, and believe in Me." Jesus was going away, but that was for their good. Jesus said that God's house has many rooms, and He was going to go away and get a place ready for His followers. "Then," Jesus said, "I will come back so you can come with Me."

John 14:1-11
