

CALVARY LIFE BROOKLYN

Finding a community to belong to is a very important decision.

TIP: Take your time and ask a lot of questions, don't give up.

Step #1 - Understand what a church is and is not, why it exists and what does become a part of a church mean?

Step # 2 - Look around for a church. Start near you, for a church to be truly effective it must, you must be accessible.

Step # 3 - Visit several. If you have kids try to visit without them for the first time. Sit, talk and ask questions. Visit not just their Sunday Service but other events that are taking place.

Scriptures about the Church. - Acts 2:42; Matthew 28:19-20; Ephesians 4; 1 and 2 Timothy; Titus 2.
