NURTURERS OF REVIVAL

CORE MESSAGE FRAMEWORK

*"God may not call you to be the Josiah,
but He may call you to help raise one."*

THE BIG IDEA & JOSIAH'S JOURNEY

BIG IDEA

Revival is often remembered through one visible leader, but it is usually built by faithful people working behind the scenes. God uses ordinary believers to protect, teach, encourage, and prepare the next generation for extraordinary purposes.

JOSIAH'S JOURNEY

AGE 8	Crowned king in a nation filled with idolatry.
AGE 16	Began seeking the Lord with all his heart.
YOUNG ADULT	Removed idols, restored the Temple, rediscovered God's Word, and led national revival.
LEGACY	Fulfilled a prophecy spoken more than 300 years earlier.

THREE ROLES OF A NURTURER OF REVIVAL

I. GUARDIANS OF THE HEART

Protect spiritual curiosity, create safe places for faith to grow, and encourage the next generation to seek God.

II. TEACHERS & TRANSMITTERS

Faithfully preserve and pass on God's Word so future generations know His truth and His promises.

III. PROPHETIC ENCOURAGERS

Speak life, identity, and courage into those God is raising up, reminding them that their obedience matters.
