

## *Some Assembly Required* ***Not A Drop To Drink***

### TALK IT OVER

#### **How To Use Talk It Over:**

Talking through the message weekly helps you and your Movement City Group turn what God is saying to you into action steps.

#### **Pastor Dre's Main Idea:**

God can make what is bitter, sweet again.

#### **Key Scriptures:**

*22 Then Moses led Israel from the Red Sea, and they went out into the wilderness of Shur; and they went three days in the wilderness and found no water. 23 When they came to Marah, they could not drink the waters of Marah, for they were bitter; therefore it was named Marah. 24 So the people grumbled at Moses, saying, "What shall we drink?" 25 Then he cried out to the Lord, and the Lord showed him a tree; and he threw it into the waters, and the waters became sweet. **Exodus 15:22-25***

*24 For this reason a man shall leave his father and his mother, and be joined to his wife; and they shall become one flesh. 25 And the man and his wife were both naked and were not ashamed.*

**Genesis 2:24**

#### **Key points:**

1. God wants you to have amazing sex.
2. Sex just isn't pleasurable but powerful.
3. The problem isn't having a sex drive but letting sex drive.

#### **Start Talking.**

- What is one thing that stood out to you from this week's message?
- What are some of the reasons or pressures people give to you or you give to people to have sex before marriage?

#### **Start Thinking.**

- Whether you're married, dating, or single, how can you work to protect your marriage bed?
- If you are single and hope to one day be married, how are you preparing yourself for marriage now for when God does bring a spouse into your life?

#### **Start Sharing.**

- Have you experienced a time when the power of sex or relationships took you down a dangerous path?
- How can we be praying for each other as we ask God to make those things sweet again?

#### **Start Doing.**

- What is one step you can take this week to start living a more careful and intentional life?
- How do we help speak into the lives of those around us who don't see sex for what it really is?
