## KINGDOM CULTURE: FOR THE GOOD OF THE CITY

**Text:** Ephesians 4:11-12

**Topic:** Kingdom, Discipleship,

**Big Idea of the Message:** A simple reproducible bible study method can drive long-term discipleship. Nothing can take its place.

**Read Ephesians 4:11-12 :** As we gather the growing harvest we trust God has chosen men and women and assigned them the task of teaching (Eph. 4:12). Discovering disciple makers and equipping them with simple, reproducible tools is our main focus.

### Short-Long Term Facilitation

**1) I will identify #\_\_\_\_ potential disciple makers within three months.**

As new believers are added in each locality this goal must be reassessed. Discipleship at the edge of the network constantly renews the need for more disciple makers.

**2) I will facilitate discipleship workshops taught on site to model and mentor teachers in simple materials each month.**

Mentoring groups should meet regularly for modeling of beginning discipleship methods and materials, creation of long-term lessons and accountability to previous assignments.

**3) I will pray with Movement Church that Master Trainers capable of reproducing the mentoring process in expanding fields.**

These trainers can be identified from within your existing network by their faithfulness and fruitfulness. Concentration of time with these men and women will multiply discipleship groups.

## GOALS TO SET:

- **Obey:** Confess your sins before the Lord. Turn from them and live a new life in Jesus.
- **Abide:** Begin reading Ephesians 4:11-12 in its entirety and pray daily.
- **Train:** You need to train your disciples in this.
- **Share:** If you don't have a disciple, who from your Oikos map will you share the webisode with this week?"
