### **You Need A Plan**

In order to get the most out of this series, below are some optional activities you might consider doing. These are designed to help you become the type of giver God is calling you to be.

1. Give something away this week. Set a certain amount of money aside this week to give to someone else. The amount can be anything from \$1 to \$100 or more. Take that money and pray about it. Ask God to show you who He wants you to give the money to. God may direct you to give the money to a complete stranger such as a waiter or waitress at a restaurant, a delivery person, a family in need, or a cashier at a store. He may direct you to give it to a co-worker, friend, relative or church family. Try to stay anonymous, giving as a steward on behalf of the one who truly owns it all.

2. Consistently give (return) for three months. In Malachi 3:10 God says "Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this," says the LORD Almighty, " and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it." This is the only time where God asks us to test Him. So, if you are not consistently generously giving, try it. Commit to return 10 percent of your income over the next three months. During that time, ask God to help you be very aware of how He uses your giving to change your heart and relationship with Him and His mission.
