THIS WEEK’S REFLECTION FOR YOU & YOUR VILLAGE

(Matt 4:1-4): Think of someone in your life who you know you can depend on. In what ways have they shown themselves to be dependable?

(John 6:25-31): When do you feel most tempted to seek after Jesus for only the temporary, self-interested reasons/benefits he describes in verse 26-27?

(John 6:32-36): What do you think Jesus means when he describes himself as the “bread of life”? What could it mean for him to be your “bread of life”?

(John 6:37-59): How can you help “set the table” for those around you this week? In what ways would you like to be reminded/hold on to the truth that Jesus is the full, satisfying love of God this week?
