

THE  
GOSPEL  
OF  
JOHN

WORSHIP GUIDE

## **THE GOSPEL OF JOHN**

The Gospel of John is a beautifully written account of Jesus' life and ministry. While it is consistent with the other gospel accounts, it is unique in style and purpose. As Augustine said, "John's gospel is deep enough for an elephant to swim and shallow enough for a child not to drown." From start to finish, John invites us all to take another look at Jesus, seeing him afresh, that we might believe in him and find life in him (John 20:31). As we study John's gospel together throughout this year, we pray it will stir our hunger for God and give us the confidence to proclaim Jesus as the way, truth, and life.
