

## What a Resurrection Doesn't Change

### Introduction:

In Luke 16:19-31 Jesus gives five pairings that warn us of the danger of ignoring Scripture and loving the world at the expense of loving Christ.

#### 1. Two R\_\_\_\_\_ Different Lives (vv.19-21)

a. The \_\_\_\_\_ life

b. The \_\_\_\_\_ life

#### 2. Two R\_\_\_\_\_ Divergent After-lives (vv.22-23)

a. A place of \_\_\_\_\_

b. A place of \_\_\_\_\_

#### 3. Two R\_\_\_\_\_ Disclosing an Unchanged Heart (v.24)

a. Request for \_\_\_\_\_

b. Request for \_\_\_\_\_

#### 4. Two R\_\_\_\_\_ Demonstrating His Destination Is Fixed (vv.25-26)

a. You received \_\_\_\_\_

b. There is no \_\_\_\_\_

#### 5. Two R\_\_\_\_\_ Declarations You Must Hear (vv.27-30)

a. What \_\_\_\_\_ would tell you if you could hear

b. What \_\_\_\_\_ plainly tells you if you would hear

6. One R\_\_\_\_\_ You can't reject! (v.31; Lk 24:1-12, 36-49)

**Application:**

Jesus rose from the dead, yet those who reject the truth and authority of Scripture will also reject the reality of His resurrection (Matt. 28:11-15).

But those who truly trust in Jesus Christ and believe in His resurrection will receive the truth of Scripture, and by God's grace, submit their lives to it.

You do not need more evidence; you need to hear what God has already said. Repent. Trust Christ. Live for Him.
