

## **Week 1- "Conforming to My Labels"**

**In this series we are going to discover what God calls us. Christianity teaches that God has a good, pleasing, and perfect will for our lives. In this week's message, we look at something in our lives that can get in our way, without us knowing it, that leads us to see ourselves differently than God sees us.**

1. Where have you allowed what someone said to define you?
2. Whose voice plays in your mind the most?
3. Can you identify what labels are stuck on your heart? If so, what are they?
4. How are those labels impacting your life and relationships?
5. How are those labels impacting how you see yourself?
6. How are those labels impacting how you see God?

**Romans 12:2 says: *"Do not conform to the pattern of this world but be transformed by the renewing of your mind."***

7. What would it mean to you if you could find freedom from the labels that negatively impact your life?

**Over the next few weeks we are going to spend time looking at What God calls us. Our hope is to discover how we can renew our minds so that we do not conform to the labels and instead be transformed by God's good, pleasing, and perfect will.**
