

THE MISSION AND VISION OF ROCKPOINT CHURCH

Week 8- “Rockpoint’s Next Steps”

Growth in Church is a wonderful thing, however when growing is the main focus then a Church can feel messy. In this series we talk about the incredible growth we are experiencing at RockPoint and how as a Church we don’t want growing to taint the mission to be a safe community where anyone can discover, develop, and deepen a relationship with Jesus. In this week’s message, we discover a moment in Israel’s history that points to what happens when a church’s focus becomes all about growth instead of pointing people to God’s unfailing love and mercy.

Read 1 Chronicles 28:1-11,20-21 and 1 Chronicles 29:1-19

1. David discovered the depth of God’s unfailing love and forgiveness and it changed him. How did this impact how he lived and served the people of Israel?
2. Have you discovered the depth of God’s unfailing love and mercy in your life? If so, how have you seen it change the way you see yourself and others around you?

Read 1 Kings 11:1-4

3. Solomon lost sight of God’s unfailing love. What happened as a result of Solomon looking to temporal things to find satisfaction?
4. How does what you reach for to find value help you discover if you are trusting God’s unfailing love, or striving to do it yourself?
5. Why is it important to evaluate what you depend on for value and satisfaction?

6. What do you think it practically looks like to look to God's grace and mercy for value?
7. What are the unintended consequences of a Church losing sight of pointing people to Jesus' Gospel of grace?
8. How can this group help you discover more deeply the life, identity, grace, and forgiveness that comes from Jesus?

As a church we want to be so impacted by God's unfailing love and mercy that we can't help but be generous, point others to Jesus and His cross, and invest in the next generation. We don't have to reach for temporal things like Solomon did, we have the cross of Jesus that speaks to God's grace and mercy in our lives. Through Christ we can generously be a safe community where anyone can discover, develop, and deepen a relationship with Jesus. We make our mission so authentic, so sustainable, so accessible and so transferable that it will multiply gospel-centered, discipleship-driven, safe communities wherever it goes.
