

Week 4- “Todd’s Story of Discovering Grace”

Growth in Church is a wonderful thing, however when growing is the main focus then a Church can feel messy. In this series we talk about the incredible growth we are experiencing at RockPoint and how as a Church we don’t want growing to taint the mission to be a safe community where anyone can discover, develop, and deepen a relationship with Jesus. In this week’s message, we hear Todd Schultz’ story of how he experienced a Gospel of grace in a safe community.

1. What stood out to you from Todd’s Story?
2. What has pleasing God looked like in your life?
3. Where has shame tried to define you and how has that felt?
4. Why do you think it can be so hard to rest in His grace and enjoy God instead of trying to please him?

Read Colossians 3:12

Paul seems to highlight that real change comes from a place of how God sees us instead of how we see ourselves.

5. Have you discovered that God dearly loves you? If so, how does knowing this help you rest in His grace?

Read Galatians 5:1

6. Grace frees us so that we can enjoy God. What do you think it practically looks like to enjoy God?

Todd's story is why we want to fight for Gospel-centered, discipleship-driven, safe communities. We believe everyone should have the opportunity to discover, develop, and deepen a relationship with Jesus—the One who made a way for us to know His grace. We don't want to simply discover His grace, we want to live in it, be transformed by it, enjoy it, and offer it to others.
