Have you every been to a basketball game? Basketball was invented by Dr. James Naismith, a Canadian-born physical education instructor, in December 1891 at the YMCA Training School (now Springfield College) in Springfield, MA. He created it as an indoor winter activity, using peach baskets for goals and a soccer ball, defining the original thirteen rules. Even though this full teaching/seminar has been on my heart since 2004, Holy Spirit taught me each lesson this week, one day at a time! 🤔🏀🙏
