How to live a Naturally Supernatural life

The human being without the Spirit of God is like a caterpillar who hasn't gotten its wings... with no idea that it was made for more.

RECAP: The first disciples were **expectant** - they were told to wait, **qualified** - they believed in Jesus, **receptive** - to whatever God wanted to do through them.

"Divine Nature Attributes" (DNA) - the fruit of the Spirit transforms our personality, behaviors and characteristics to be more like our Father in Heaven.

Various kinds of ministries of the Holy Spirit - to the whole world, to the body of Christ, and to each of us individually with the gifts of the Spirit.

Like a caterpillar knows nothing about being a butterfly, there's much to learn about what happens to us when we become this new creation as well.

How can we live a naturally supernatural life?

Let's Pray

The more I grow in Christlikeness, faithfulness, and intimacy with Him, the less I am worried about the things of the world. [Rom 8:5 NIV](#)

PURSUE CHRISTLIKENESS

Becoming like Christ doesn't happen overnight.

The old things which caused us to sin are also the same things that made us slaves to death and fear. [Gal 5:1 NIV](#)

Jesus came as our Savior and our example of a Spirit led life.

To pursue Christlikeness, we have to know our target. Study the life of Jesus from God's Word and seek to emulate His character in your day-to-day interactions.

SEEK INTIMACY WITH HIM

Knowing about God is different from knowing Him and having an intimate relationship with Him. [Phil 3:10 AMP](#)

It's up to us how much of the power of God we experience [Prov 4:20-23 NIV](#)

WALK BY FAITH

Believe that with God, all things are possible. – you were made for more!

Luke 1:37, Luke 18:27, Mark 9:23

Faith is believing what God has said and it's the foundation for a supernatural life.

MADE NEW

Holy Spirit is the one that makes it happen.

The Holy Spirit is our home-school teacher showing us how to be more like Christ, urging our hearts into a more intimate relationship with Him, and filling our spirits with the faith it takes to believe that nothing is impossible. [John 3:3 NIV](#)

born *gennao* “come to bear”, give birth, pass or be conceived.

again *anóthen* “from above”, from the beginning, from heaven, or anew.

We are all human beings from birth, living with the same breath of life that was given to Adam in [Gen 2:7 NIV](#)

being *nepes* “alive” and by extension, breath, life force, and the immaterial part of a person.

When we are born again, we come to bear the Holy Spirit from above. [John 20:22 NIV](#)

[2 Cor 5:17 NIV](#) When we are born again, we become “other human” – we become MORE.

Being born again brings our spirit to life in proper response to God.

Living a supernatural life is natural to us because our nature itself has been transformed into something supernatural.

APPLICATION

[Gal 5:25 NIV](#), “Since we live by the Spirit, let us keep in step with the Spirit.”

Begin with Prayer: ask God to guide and direct your steps as you acknowledge your dependence on the Spirit to walk in his ways.

Immerse yourself in the Word: Everything the Spirit leads us to do will be consistent with what God has already revealed in His Word.

Spend time with other believers: He reveals things through the salt of a loving conversation, and He encourages us through the light of kind word.

We, like the caterpillar, may not know exactly what our life is going to be like once we surrender all to Jesus. But as born-again butterflies, we know we can *trust in the wind*.
