

# DISCUSSION QUESTIONS FROM APRIL 16/17 [EASTER] SERMON

If you missed the sermon, check out [biblechapel.org/sermons](http://biblechapel.org/sermons).

Scripture from this week's sermon: [Galatians 4:1-7](#).

**ICEBREAKER:** What is always on your table for your Easter meal?

1. [Read Galatians 4:3](#). How would you describe the “elementary principles of the world”?
2. [Read Galatians 4:4](#). This verse explains the essential truth that Jesus was fully-God and fully-man. Why was it important to note that Jesus was born “under the law”?
3. [Read Galatians 4:5](#). Discuss the word “redeem” and the freedom this theological truth provides the believer.
4. [Read Galatians 4:6-7](#). Spend some time discussing the deep significance of being able to call the Creator, “Abba! Father!” and to know that we—through adoption—are “an heir” of God.
