Response Questions:

- Based on where I currently am today spiritually, how should the TRUTH that Jesus is King affect my life right now?
- What about your life doesn’t make sense if Jesus is truly your King?

Consider:

Relationships

Habits and Activities

Life Decisions

Use of Time, Money, and Energy

Attention and Passion

- Who or what most competes with your love for and devotion to Jesus as your King? What causes you to drift?
- What is the Holy Spirit inviting you to do in response? Is there a sin to repent of or a step of obedience to take?
