## The Book of Acts: Week 8

*Pastor Cory Haney*

### ***Acts 4:5-22***

Anytime there's a move of God that leads to spiritual revival, Satan will counterattack with spiritual resistance.

### ***Acts 4:5-10***

- Walk in step with the Spirit.

### ***Galatians 5:25***

### ***Luke 12:11***

### ***Acts 4:11-12***

- Clearly proclaim that Jesus is the only way.

Common Objection: All religions basically teach the same thing.

Common Objection: Claiming one way to God is arrogant and intolerant.

### ***John 14:6***

“The early church was both enduring sharp persecution and enjoying broad popularity and support. They were simultaneously attractive and growing, yet also hated and attacked. This tension challenges us today in two ways. If we experience no opposition for our faith, it may be because we’re being cowardly—avoiding risk and failing to be bold in our witness. But if we face only hostility without fruit or favor, we might be suffering not for righteousness, but because we’re being harsh, insensitive, or unnecessarily divisive.” - Tim Keller

### ***Acts 4:13***

- Walk in relationship with Jesus.

### ***John 15:1-5***

### ***Acts 4:14-21***

- Choose faithfulness to God over comfort with people.
