A MESSAGE FROM PASTOR DERRICK GOLDEN

First, I want you to know how appreciative Pastor Ilya and I are of you. We couldn't have come this far without you, nor would we want to. Without a doubt, God has given us the most energetic, generous, and caring tribe and for that we are incredibly grateful.

Approximately four years ago, we bought a piece of land in McKinney and began our visionary ascent to raise up a church out of the ground, that would be pleasing to God and a gift to the community and the families of Amazing Church. And I know you will agree, it has not been an easy climb and yet as God spoke to me in my prayer closet, "I have a quiet confidence, that in the midst of it all, He is working it out for our good."

We have had to trust God in every step before we started this campaign and now that we have shown ourselves to be faithful and consistent, we are presented with a Red Sea-shore moment, a mission that I believe is possible. We will either cross-over and receive the promise or stay here and atrophy and then die. As I said earlier this year, I believe that God wants to work a miracle in Amazing and all that participate in the miracle coming to pass, all those that have a stake in this thing, that we will see personal miracles in our own lives. Family, having a stake in this means that we are shoulder to shoulder, back-to-back, ready to accomplish the mission. I believe that we are about to see our future, the one that God desires for us. His desire will challenge us.... His desire will inspire us.... Most importantly, I believe His desire for others will compel us to make greater commitments than ever before.

WE NEED YOU

I am calling on you to help lead the way and believe with us that the mission is possible, the mission to cross over to the other side to restore hope in God and love people back to life in Christ. So, over the next few weeks, we will be pulling back the curtain on what God has called us to build. As leaders, we must be out front, setting the pace for others to follow.

I am going to ask you to join me in 3 critical commitments as we lead this journey forward with our stakes in this Kingdom project:

- 1. Join in fully on the Fast – starting September 26 to pray fervently for our Mission Possible Campaign and the role God is asking you to play.**
- 1. Lead the way Financially – Be in prayer about making the most significant and sacrificial gift ever for the work of God on October 16th during our giving day**
- 1. Make That Pledge – this is the most significant pledge of the entire journey, your three year commitment to cause the building to come out of the ground.**

This has the potential to be our finest hour as Amazing Church! As we lead in this moment and see this kingdom assignment we call Amazing come to pass, I can't find anything more fulfilling than building what Jesus said He came to build - the Church.

I believe The Mission Is Possible,

Pastor Derrick Golden

OUR CHALLENGE

WE HAVE OUTGROWN OUR SPACE

OUR CHALLENGE

WE CAN DO SO MUCH MORE

WE HAVE OUTGROWN OUR CURRENT FACILITY...

- The auditorium is at capacity and threatens to stunt our future growth
- Not enough classrooms to meet the need of all NextGen Ministry age groups
- Inadequate office space restricts our ability to effectively execute the work of the ministry
- Undersized lobby limits connections for members and ease of transition before and after experiences
- Not enough social space and meeting areas to execute our Tribe Life vision
- McKinney Texas is growing at 3.5% annually and we must be ready to meet the need

OUR OPTIONS

IN GOD WE TRUST

OUR OPTIONS

IN GOD WE TRUST!!

WE HAVE A RESPONSIBILITY TO CARE FOR THE GROWTH GOD HAS TRUSTED US WITH.

1. Add more services...100%+ capacity in 10:45 am service, and recently added 8:45 am service that is at 60% capacity and growing in both the auditorium and NextGen ministries.
2. Move to another rental location...at current market value, rental cost will be comparable to the cost of a mortgage with no equity gained.
3. Do nothing... this would be unfaithful to the vision God has given us and would mean rejecting those who are lost, hurting, and without Christ.

Build a new facility across Hudson Crossing on our land to serve as the Amazing-owned home base for Amazing Church with the additional resources needed to support the current growth of Amazing and execute the full vision of Amazing in the community.

II Corinthians 9:10-13

For God is the one who provides seed for the farmer and then bread to eat. In the same way, he will provide and increase your resources and then produce a great harvest of generosity in you.

Yes, you will be enriched in every way so that you can always be generous. And when we take your gifts to those who need them, they will thank God.

So two good things will result from this ministry of giving—the needs of the believers in Jerusalem will be met, and they will joyfully express their thanks to God.

As a result of your ministry, they will give glory to God. For your generosity to them and to all believers will prove that you are obedient to the Good News of Christ.

WE CAN'T REACH THE LOST

WHAT IF WE WAIT

WE CAN'T REACH THE LOST

- Families with young children are turned away because we have limited capacity to serve them
- Opportunities for establishing new life-giving relationships in our church are forfeited
- Individuals will drive away because of inadequate space
- Our ability to execute the vision and meet the needs of the community is compromised
- Our mission to grow the “Kingdom” is negatively impacted
