

How to Get Along (Even in Church)

Ephesians 4:1–6

In our passage, Paul lays three charges before us: exhorting us to live up to our calling, challenging us to work on our character, and urging us to be united in the cause of Christ. These verses give us the answer to three pertinent questions.

1. The Call: _____ are we to do?

2. The Characteristics: _____ are we to do it?

3. The Cause: _____ should we do it?

We are called to walk in a worthy manner by putting on the characteristics of Christ and as a united body of believers—win the world for Christ. The only question left to be asked is this—“Will we do it?”
