WELCOME

TO FAIRHAVEN CHURCH

We believe there are *three* basic experiences that produce the greatest amount of transformation in a person's life. When we say, "transformation," we're referring to people being changed from the inside through an ongoing personal relationship to God in Christ and to one another. We call these experiences, "*Essentials.*"

WORSHIP

Loving God back

Glorifying God through right actions and attitudes will bring our greatest stirring

COMMUNITY

Experiencing life together

Loving each other at all costs to prove that we are His disciples will be our greatest strength

SERVING

Responding in faith

Using our time and talents for the sake of others will be our greatest blessing

NEW TO FAIRHAVEN?

If there's one thing we'd recommend you do, it's attend a Meet Fairhaven event.

You'll learn more about our history, beliefs and vision, meet some of our staff and get answers to any questions you may have.

Stop by the Welcome Center for more information. Check the campus community page for upcoming dates and times.
