

I am DragonSlayer and through Christ which strengthens me I can do all things including slaying the dragons in my life.

## **Blessings & Curses**

**Exodus 22:18 - KJV**  
**Thou shalt not suffer a witch to live.**

In the spring of 1692, many years before you and I were born. A hysteria swept through the village of Salem, Massachusetts which is now Danvers. It is a place I know because every year in elementary they would take the children to Salem to show them the Salem Witch trials. There was a confession and people were hung and some died in prison. I bet many people wondered how could there be a witch among them?

Today We live in a world where so many people claim to be Christians but are truly witches and wizards in disguise. They served the devil the same we serve God. They believe in things that that has nothing to do with God and yet they call themselves Christians. They build alters to their gods and say it is part of their culture. They bow to these images and they believe it gives them good luck.

Today, there are some people who are no longer hiding. They are making money off this and profiting. A woman died recently and in the news they said how her husband went to a witch doctor because he wanted a divorce. This was in the news paper here in San Diego. Yet you tell me, there are no witches. No they are not hiding like they used to, but the Bible says you shouldn't let a witch live. Please don't be like the people in Salem. There are other ways to deal with a witch. I have to put a disclaimer in there in case someone wants go hunting and then I get called into questioning.

I have told this story before but a woman I know who is a Christian was riding the train. She sat next to a young man and thought nothing about it. Then the clock struck noon and the man began to pray. Doing what she does best she began to pray for covering over the man. When the man was done praying, she asked what church does he belong to. To which he said he doesn't belong to any church but at noon him and his peoples all over the world begin to pray to the devil.

**\*\*\*Numbers 24:10 - KJV \*\*\***

**And Balak's anger was kindled against Balaam, and he smote his hands together: and Balak said unto Balaam, I called thee to curse mine enemies, and, behold, thou hast altogether blessed them these three times.**

There was this witch doctor, Balaam, who was asked to put a curse on the people of Israel. Each time he went to curse them, God told him to bless the people of Israel. This happened 3 times. Now Balak is upset and because you cannot curse whom God has blessed.

That means no matter what witch is flying around this Halloween season, they can't harm you. No matter what the enemy has tried to do, it won't work. Because if you are in the light of God.

Darkness cannot enter. If you have a hedge of covering, you are protected from what these things want do to you.

But too many of us watch horror movies, and too many us are scared by what we see on the screen. They movies do their job to make you scared, but I want you to be empowered. Nothing by any means can harm you, because you have the authority over all the works of the enemy.

That means witches can't hurt, That means vampires can't hurt you, that means werewolves can't hurt you because you have a power that is inside of you that will cause these things to stop before it gets to you. You have nothing to be afraid of because the Power of Christ is your protector.

**\*\*Acts 16:16-18 - KJV\*\***

**And it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her masters much gain by soothsaying: The same followed Paul and us, and cried, saying, These men are the servants of the most high God, which shew unto us the way of salvation. And this did she many days. But Paul, being grieved, turned and said to the spirit, I command thee in the name of Jesus Christ to come out of her. And he came out the same hour.**

There is nothing for you to be afraid of. Because if Paul can call the demon out and stop the work of the witch. You can as well. If you want to know how to kill a witch, command the spirit to leave in Jesus name. Put up a spiritual barrier around your home. The gates of hell will not prevail.

The enemy comes to steal kill and destroy, but not today. Today we are going to stand tall and be the Dragon Slayers we are. Today we are not going to fear what man can do to us. Today we are calling out every witch, every demon and every warlock and telling them go away from us in Jesus Name. If they come near us, we are going to cut off their power. If they tried to harm us or our family, we will call on the army of God to take up a vengeance on our behalf.

I am warning you because that season is in a couple of week and you need to know how to fight. You cannot use your everyday just waking up prayer, you have to believe in the words you are saying. You have to power behind it. You are not on the sidelines and you never were. You are called Dragon Slayers for a reason. Start Slaying some dragons.

If someone put a curse on your marriage, it is time to break it and send it back to the sender. If someone put a curse on you, it is time to break it and send it back to the sender. If someone put a curse on your family it is time to break it and send it back to the sender.

You think it was only Paul and Jesus, well if you have Jesus in you, then you have the same power within you.

**Proverbs 18:21 - KJV**

**Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.**

If life and death are in the power of the tongue. Then I am going to starting peace in my life. I am going to start calling protection in my life. But I will call death to any spiritual thing that is trying to harm me. I will call death to anything that is not of God and keeping me up all night.

It is in the power of the tongue, So I calling life to finances. I am calling life to love. I am calling life to good abundance. I am calling life to the great things that I am looking forward in my life. But I am calling death to negativity, I am calling death to spiritual attacks, I am calling death to witches that may be in my life and I don't know. I cutting off all spiritual connections to these people male or female who have a connection to the devil. I am cutting it off right now in the name of Jesus. Let their business fail if they even try to attack any one in this church.

Because we are blessed. Because we are protected things that go bump in the night doesn't frighten us. Because our light shines further and brighter.

**Leviticus 19:31 - KJV**

**Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the LORD your God.**

The bible says don't even regard them and don't look for them. There is one God and one God only. Now you know this Halloween you don't need to open your doors. You don't need to participate in this stuff. You are above this and you have the power that can put a stop to what the enemy is doing.
