

I am DragonSlayer and through Christ which strengthens me I can do all things including slaying the dragons in my life.

The Secret to Prayer

Romans 8:29-31 - KJV

For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. What shall we then say to these things? If God be for us, who can be against us?

The scripture says before the world existed, God picked you. Before your parents were born, God picked you. Before all the great and wonderful things that happened in history, God picked you.

You are special not because you can sing or dance. Or because you can run really fast or really far, or because of your family, you are special because God picked you. He called you and justified you and that is why you shine brighter than everyone else.

The scripture the goes on to say if God be for us, who can be against us. If God is on your side, the forces that have been trying to stop you won't win. If God is on your side, the barriers that have been blocking you can't stop you. If God is on your side then every NO you received is turned into not right now.

But the who reason why God is on your side is because you were picked. There are a lot of people who say they feel special but don't know why. They were picked, but they have not walked into their calling. They have not connected with God. They have not been baptized in Jesus name and filled with the Holy Spirit. In fact they have not come into their full glory, because you need God for that.

Imagine seeing a butterfly who has not fully developed. The colors are dull and something about is not right. So it still gets the attention, but not the kind as if it were fully developed. There are many undeveloped butterflies in this world. But that is why we invite people to church so those butterflies can be developed.

But you who are here I need you to understand at this moment, at this time, God has picked you to be in his child.

Ephesians 6:11-12 - KJV

Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Understand the barriers and blocks that have happened in your life is not from God. What you are wrestling with is not flesh and blood. You are wrestling with a spiritual system that does not

want you to succeed. You are fighting all the time to keep what you have because for some reason something comes along and wants to take it all away.

You are fighting principalities and powers in high places. The reason is because you were picked and the enemy wasn't. You can fall and ask for forgiveness and the enemy cannot. You can pray and God will turn it around for you, but it cannot work that way with the enemy.

So now you are in a fight, not just you, but Christians all over the world are in the same fight. And the problem is not everyone knows how to fight. They are getting beaten up so bad, that they walk away from God and the church. They allow the enemy to win, because they never knew the basis of fighting a spiritual battle. What I am about to teach will help someone get free and loose because I am about to teach you how to pray in a way that your prayers will be heard.

I know you might say I know how to pray, but if you do why are your prayers not being manifested. When you pray do you know that God has heard your prayers or are you just hoping. The reason is because the way to communicate and to fight is by prayer. If you are not praying you are missing an important piece of communication with God. The Bible commands it in Luke 18:1 that men are to pray and not faint.

I will teach the structure according to the Bible on prayer. Because if this is the year of God's blessing, I want you to get every blessing God has for you.

Matthew 6:9-13 - KJV

After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

Verse 9 & 10 - Is all about honor. The very first thing you do is give God honor. You want to show Him respect. Call Him by the titles He has been assigned the Great ruler, The king of all Kings, The God of all Gods, the God of my banner, the God of my Peace, The God who provides. There are more titles and you can use those but these are just an example.

Verse 11: - Is Thanking Him. The next thing you do is Thank Him, you are show gratitude and appreciation to what God is doing and has done in your life. How God woke you this morning, How God woke your kids up this morning, How you might not have everything you want but you have everything you need. You have to thank Him. It is interesting that when I hear prayers they give God glory and then jump right to the ask without thanking Him.

Verse 12: - all about forgiveness. God said he doesn't hear the prayers of the sinners so we clean ourselves up by asking for forgiveness. The whole reason He died and became our lamb is so we can simply say Lord forgive me. But I don't think I ever hear people ask God for forgiveness in their prayer. But then I pray and people are shocked because they pray and nothing has happened. God doesn't hear the prayers of those who haven't cleaned up yet.

Verse 13 - Now you Ask. This is whatever you want. This is the part that you are talking to God about the bills in the house. You are talking to God about the bondages that are holding you back that you want to be free from. This is the part where you ask to be invisible to your enemies. This is the Part that is all you and what you want.

Verse 13: Also now is the closing. The closing is all about giving God honor again and I like to thank him again and letting him know I believe it will happen.

*****Hebrews 11:1 - KJV*****

Now faith is the substance of things hoped for, the evidence of things not seen.

Now you top it off with some faith belief. You cannot pray and not believe, no matter how impossible it is. You have to believe. You have to have faith in every part of your prayer. If you are not having faith, how can the prayer even get off the ground. Faith is the wind that takes your prayers to heaven. It is important to have because I need to know my prayers are gone up. I need to know that what I am saying to God is being heard.

There are some things in lives that we need God to intervene for, so I need to make sure God is hearing our prayers. There are some shackles that need to be broken off, so I need to make sure God is hearing these prayers. There some generational curses that need to be cured, so I need to make sure God is hearing this.

You need to know that if you want that enemy to back down, you need to a structure to your prayer mixed with faith. You need to know that God is waiting for you to communicate with him. The time of doing this by yourself is over. It is time to reach out to your heavenly father and bless the things that you are doing.

But there is one more thing that will be the icing on this cake. One more thing that will tie it all up.

James 5:16 - KJV

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

The word I want to focus on here is fervent. That word means intensity. When you add Intensity to your prayer with faith following the structure, you will have great power and produce wondrous results.

Some people are in different walks in their lives. Some are just starting out, some are coming back to God after a while and others have been around. But we all need to know how to fight the fight that we have been given. We need to know how to make sure God is hearing our prayers

Psalms 126:5 - KJV

They that sow in tears shall reap in joy.

I leave this last scripture with you because I know a lot of people are going to be talking to God using this structure and some are going to be pouring our tears because of the intensity of the situation that they have to match that intensity with tears.

So I leave this scripture with you, you will get your joy.

Have everyone repeat the title :

This is my year to receive God's Blessings
