

I am DragonSlayer and through Christ which strengthens me I can do all things including slaying the dragons in my life.

Empty Me

Acts 9:15

Paul is a chosen vessel to do the will of the Lord. A vessel is a large container to hold things. If Paul is a chosen vessel, then so are we, but what are holding?

Most of us are holding unrepentant sin, anger, and even some disappointment. We apply these things to our past. And we get so filled up with these things we cannot allow anything else. I know it says my cup runneth over, but what is your cup running over with. Is it addiction, is it trust issues or is it that you are afraid someone might know the real you, the vulnerable you?

The truth is the more our cup is filled with all these things, the less we have space for Jesus. The less we have space for Jesus the more we have space for everything else that is not good. If we are not creating a space for Jesus then what are we doing? Are we playing Christian's or are we Christians?

I want you to picture a cup or a mug with a plate under it. In your mind I want you to pour ever negative thing about yourself into that mug. I want you to see the cup fill up and overflow in the plate. Now as that is going try adding something else and you will notice it bounces off the top and never gets to the bottom.

You are the cup and the things that God is trying to put in you are not able to stick because you already have too many other things that don't belong. In fact it just bounces off. In order for this to really take hold we need to empty the whole cup, we need to pour out the whole mug.

We need to be emptied.

****1 Peter 5:7****

We get emptied like this. By casting all of your burdens onto the Lord. You mad because He can't be what you expect him to be, cast it to the Lord. You upset because she don't see what you see, cast it to the Lord. Because the moment you start casting things to the Lord is the moment you start becoming empty.

The issues with Your job, The things you say about yourself, the things in your family. You need to cast them to God. The scripture says it is because He is the one that cares for you. He is the one who wants your burdens. He made you and knows what you can carry and what you cannot carry. He is telling you, you were not made to carry this. You were not made to carry that death. You were not made to carry that abuse. You were not made to carry it.

In fact the truth is what you are carrying is blocking me from connecting with you. What you are carrying is stopping me from taking root in you. You are crying right now because you don't know how to let go of something that has been a part of you. You don't know how to let go something that haas helped defined you. But God is saying it is time to let go.

Who is with me to say Lord I take this. I put this on your altar. I don't want it anymore. Whether it is doubt or addiction. Where it is anger or disappointment. Whether it is abuse or neglect. We don't want this any more. We want to be emptied. We need to be emptied.

You have carried the shame way too long. It is time to put it on the altar. You have carried the hurt way too long, put it on the altar. God can't fill you unless you are emptied.

We need to be emptied.

*****Acts 2:1-4*****

They were all filled with the Holy Ghost. They were all filled. Because they were emptied. God is trying to fill you up. He is trying to fill you up with love. He is trying to fill you up with hope. He is trying to fill you up with peace.

See it is different you are filled with God. Certain things don't bother you. When you are filled with God's Love, it doesn't matter who left you. When you are filled with God's hope, it doesn't matter who talked down to you. When you are filled with God's Peace, it doesn't matter what's going on in the world.

When you are filled you have received power. When you are filled You have received authority. When you are filled you are changed. When you are filled with God no matter what weapon is formed, it won't work. Because you have filled yourself with the holy one.

You have been emptied of the negative things and refilled with all Holy things. It is important to understand that when you are filled with God you can't just sit still. You can't just be in your seat the way you used. You might have to let out a hallelujah or a shout. You might have to get up and move. You might have to cry because of the love that is in you.

When you start to get the Love of God deep down inside of you, there are somethings that will change. You will be a new creature. You won't be able to see the way you used to. You will be more aware of what you need to be in your space. All because you got the love of God.

Acts 4:10-12

There is no other name by which you can be saved by. There is no other name which you can be filled by. The only name that every knee will bow and every tongue will confess. That name is Jesus. If you have not been filled with the love God. If you have not experience the power of the Holy Spirit, now is your time to get it. If you are coming for the first time, or recommitting. Don't wait don't hesitate. Get to Jesus.

If you have not been baptized in Jesus name, now is the time. Don't waste any more of your time being filled with everything that hurt you. It makes you heavier than you already are. You might get on the scale after today and noticed you lost a few pounds. Because you gave it to Him.

In the app, fill out the prayer request. Tell us if you want to be baptized, Tell us if you want to be filled with the love of God. Tell us you want to repent, if this is the moment that you want to change your ways. If you want us to pray for you. Whatever it takes, just don't miss this opportunity, tomorrow is not promised.

Don't worry about who is with you, it is not about them, it is about you. The truth is they are going to have a come to Jesus moment as well in their lives. I need you to be selfish for once and get the love you have been searching for all of your life.

Your parents couldn't give it, Your lovers couldn't give it. Truth be told only Jesus can give you this type of Love. It's not about your past. It is about you.

This is the time be emptied.
