TAKE IT FURTHER

This brief Bible exercise can be done on your own or with your family or friends.

Let's first pray "God, as I open Your Word, let Your Word open me."

Now, let's read the following scripture several times, out loud, slowly:

We know that all things work together for the good of those who love God,
who are called according to his purpose.

Romans 8:28

Psalm 119:11 says "I have hidden Your Word in my heart..." So let's do that with this passage from Romans. Here are some helpful ways. Spend a few moments on each of these steps.

- **Picture It:** As you continue reading it over and over, what sorts of images come to mind? Can you see yourself in this passage? Can you remember times where God has taken a seemingly negative situation and over time has worked it together for your good? Think upon those things.
- **Write It:** Paper, notecard, sticky note... Stick it next to your bed, on your bathroom mirror, in your car, on your fridge, carry it in your pocket, or anywhere else where you'll see it multiple times in the day.
- **Memorize It:** Try breaking it up in phrases to help commit to memory.
- **Speak It:** Learn to speak God's Word out loud in confidence.
- **Pray It:** Use scripture in your prayer. You can make it personal by changing some of the pronouns. For instance, you can pray "God, thank you for making all things work together for my good. You have called me and given me a purpose."

PRO TIP: You can also Sing It! There are many great songs with God's Word in the lyrics. Romans 8:28 shows up in Your Love Never Fails by Jesus Culture.
