

## Harvest Kids Church Grade R – 3 (TERM 2)

Welcome to the second term of 2020 at Harvest Kids Church!

Though we may be at home for the time being, we do desire to connect with you and encourage you to follow along with us as we discuss and learn lessons on courage that we have provided, for the next three weeks ahead. These lessons have wonderful prayer activities, science experiments, family discussions and planning cards to work out their courage every week. *Please make use of our Courage lesson PDF along with this lesson outline.* As you spend time working through these lessons as a family we encourage you to note the people in God's word facing their fears, and the God who gave them courage to overcome.

We as a Harvest Kid's family, trust that through this material, your children may be encouraged to know that our Heavenly Father is our source of strength and hope, and the one to call upon and give us true courage when facing our battles.

“May the Lord bless you and keep you and make His face shine upon you and be gracious to you. May the Lord lift up his countenance upon you, and give you peace” Numbers 6: 24-26

From the 17<sup>th</sup> May to the 31<sup>st</sup> May, we will be putting together a three-week series based on Faith, Hope and Love in Jesus. When we as children of God may experience that our circumstances, environments and emotions are uncertain and can get out of our control. All we are required to do is remain fixed on Jesus who has overcome the world and its difficulties, and who will give us the strength to have faith, hold onto our hope and learn that love can conquer our fears and anxieties.

We as a Harvest Kid's family, trust that through this material, your children may be encouraged to know that our Heavenly Father is our source of strength and hope, and the one to call upon and give us true courage when facing our battles.

**"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."**

**John 16:33**

#### **Week 4: (10<sup>th</sup> May)- Mother's Day Lesson: Mom you are special to me!**

To encourage our children, the importance of celebrating our mother's for how special they are, and what they do for us, as well as to obey and honour them, as it is a command from the Lord, to all His children who belong to Him and love Him.

#### **Week 5: (17<sup>th</sup> May)- Keeping our eyes fixed on Jesus- Keeping the Faith**

**1 John 5:4 "...for everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith."**

Faith guides us to trust that God will help us overcome worries, anxieties and the things that we may fear in our daily lives. It is important that we learn to keep the faith in Jesus fixing our trust and dependence on Him, as He will give us the strength to endure and overcome; as He already has overcome in victory over our enemy the devil.

#### **Week 6: (24<sup>th</sup> May)- Keeping our eyes fixed on Jesus- Holding onto Hope**

**Hebrews 10:23 "Let us hold tightly without wavering to the hope we affirm, for God can be trusted to keep his promise."**

No matter the things of earth and heaven, nothing can separate us from the love of God, and nothing can keep us from the plans and promises that God desires for us as His children. We have a hope that the God we trust in, is faithful to help us overcome our daily experiences if we keep our eyes fixed on Him.

**Week 7: (31<sup>st</sup> May)- Keeping our eyes fixed on Jesus- Letting His love throw out our fears!**

**1 Corinthians 13:13** “Three things will last forever-faith, hope and love- and the greatest of these is love.”

**1 John 4:17-18** “And as we live in God, our love grows more perfect. So we will not be afraid on the day of judgement, but we can face him with confidence because we live like Jesus here in this world.

God is love, and the more we live in Him, walk with Him and getting to know Him, His love in us shines through, and can even cause the deepest of our fears to go, because where perfect love is, fear has no chance to stay. God desires that we know this love, but not just keep it for ourselves, but that we would serve and love others around us, especially in times of crisis, or in our greatest difficulties and challenges.

Families are also encouraged to follow the 2020 VISION: BEHOLD JESUS New Testament Reading Plan: Reading through the whole New Testament together in one year by reading one chapter a day. The New Living Translation Bible is a wonderful passage to journey with young children and great to explain details of every passage of scripture. Harvest Kid's would also like to encourage parents to get kid's creative, and draw their understanding or write out what they've learnt in each week.
