## **Prayer Requests**

**We have a dedicated prayer channel for all prayer needs and requests. If you would like someone to pray with you about anything please contact [amen@harvest.co.za](mailto:amen@harvest.co.za)**

### **prayer needs list:**

These are the key areas we believe as a church need prayer into at this time:

- For more rain in Port Elizabeth's catchment area
- For good governance in our local municipality
- For the poor and destitute in our local community
- For revival and many to come to salvation
- For the physical and financial health of our people and their families
- For our government and economy to strengthen

Please add these to your prayer list when spending time with the Lord to intercede into these areas.
