

ADVENTURES IN THE BIBLE:

A WALK THROUGH
EXODUS AND JOSHUA

PARENTS!

Each Sunday, we get a chance to teach your child truths about their faith. But we know one hour a week just isn't enough! That's why we believe what happens at **home** is more important than what happens at church. You will have more influence and more time with your kids throughout their lifetimes than we ever could. It's our goal to be your biggest fans and strongest supporters as you lead your kids. We want to partner with you in this great adventure called parenting.

TERM 2 WEEK 4-6

CROSSING THE RED SEA

14th May

CROSSING THE RED SEA: Imagine this - God had led you safely out of Egypt, and now you face the danger of either drowning in the Red Sea or risking an attack from Pharaoh's armies; what do you do? For the Israelite's, this meant trusting in Almighty God for deliverance once and for all from the hands of the Egyptians.

FOCUS: Did you know...that every single Egyptian soldier and horse was swept away by the Red Sea? The story of *Crossing the Red Sea* shows us the mighty power of our heavenly Father; and the amazing ways He will direct and protect our paths, so that we may overcome the obstacles of life.

PICNIC IN A DESERT

21st May

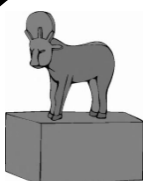

PICNIC IN A DESERT: Caught by the overwhelming heat of the desert, the Israelites begin to complain - forgetting what wonders God had done in Egypt and at the shore of the Red Sea. What the people soon discover is that the Lord of the heavens and earth will continue to look after us, and provide for all our needs; even when we grumble and complain.

Did you know...that God sent manna as food every day for the Israelites to eat? *Picnic in a desert* shows the care, provision and protection that the Lord offers in helping His children triumph in miserable circumstances.

THE GOLDEN CALF

28th May

THE GOLDEN CALF: Not long after God performing powerful miracles, did the Israelites decide to fall back to old ways; by worshipping idols made from their gold jewellery. The evil plan of the enemy meant for destruction that day, was overpowered as God showed His true strength and power; which caused the people to turn back to Him.

FOCUS: Did you know...that the Israelites drank water with the gold dust made from the melted down idol calf? The story of *The Golden Calf* shows us how easy it is to forget the incredible power of our heavenly Dad who continues to remain faithful to us; even when we disobey Him and follow after our own heart's desires.
