

ADVENTURES IN THE BIBLE:

A WALK THROUGH
EXODUS AND JOSHUA

PARENTS!

Each Sunday, we get a chance to teach your child truths about their faith. But we know one hour a week just isn't enough! That's why we believe what happens at **home** is more important than what happens at church. You will have more influence and more time with your kids throughout their lifetimes than we ever could. It's our goal to be your biggest fans and strongest supporters as you lead your kids. We want to partner with you in this great adventure called parenting.

For Moses, this was the only way a little Hebrew baby would be able to survive; as all the new born babies in Egypt were sent to be killed. What he does not know yet, is that his meeting with the Lord by the Burning Bush; will send him on the greatest mission of his life.

THE 10 TERRIBLE PLAGUES

7th May

THE 10 TERRIBLE PLAGUES: What would you do if you found a swarm of flies, an army of frogs or a swarm of gnats in your house? God sent Moses to bring His people out of Egypt; but an angry Pharaoh would refuse to allow his slaves to be freed. Since Pharaoh's heart was hard, God sent ten terrible plagues on the Egyptian people; which caused them much harm. However, God was with Moses and the Israelites, and soon their time as slaves would come to an end.

FOCUS: Did you know...**that Pharaoh had his own magicians to try copy the plagues?** *The 10 Terrible Plagues* shows the amazing power of our heavenly Father, and His mighty plan to save His people from the hands of Pharaoh.
