

JESUS AND THE GREATEST COMMANDMENT
LESSON 7
10th September

JESUS AND THE GREATEST COMMANDMENT: Imagine you asked Jesus what the most important commandment we needed to keep is? What do you think he would say? Many religious men at the time were questioning Jesus one day, and asked him what he believes is the most important commandment or lesson they needed to know. For Jesus, it was a very simple answer, the greatest commandment is to love God first with all your heart, and the second most important is to love others as much as we love ourselves. Just with these two important commandments we can make a difference for others and be the best that we can be for Jesus!

FOCUS: Did you know...the religious men like the Pharisees and Sadducees liked to ask questions that would get Jesus into trouble? *The story of Jesus and the Greatest Commandment shows us the importance of the love of God and how putting God first gives us the power to love others and to shine brightly for Jesus!*

JESUS MAKES YOU A DISCIPLE
LESSON 8
17th September

JESUS MAKES YOU A DISCIPLE: Did you know that once you have asked Jesus to come and live inside your heart; and have been baptised by the Holy Spirit and of water, you have Christ's power to go out into the world and be the light to others around you? Jesus asks us to go and make disciples of others; this means that he wants us to tell them about him and his love for them and all the important lessons we need to know to have a full life in him. Jesus needs us to be shining examples for him, so that others can hear about his goodness, love and power and they too can share in the fullness of the kingdom.

FOCUS: Did you know that the twelve disciples were ordinary people like you and me - one was a tax collector, and a few were fishermen? *The story of Jesus makes you a Disciple shows us that Jesus has given us the power to share his love and goodness with those who need and desperately seek Him.*

CHOOSE JESUS!
LESSON 9
24th September

CHOOSE JESUS! : Do you know that the Bible talks about the bad news of our sin? Our heavenly Father was so gracious, that He sent His Son Jesus Christ to make a way for us to not allow our sin to separate us from the love of God, and the amazing promises that our heavenly Dad has for us. This is the good news! Our sins were placed on Jesus, so that we could walk in all the fullness and life God has for us! Choosing Jesus means forever leaving our sin behind and giving our hearts over to our personal Saviour who will be our friend, and someone we can share a full life with.

FOCUS: Did you know... God chose you to walk out the promises of His kingdom and share the good news to others around you? *The story of Choose Jesus! Shows the powerful heart of a heavenly Father who loved his sons and daughters dearly, that He made a way through His Son for us to find life and freedom in Him.*
