

ADVENTURES IN THE BIBLE: A WALK THROUGH GENESIS

PARENTS!

Each Sunday, we get a chance to teach your child truths about their faith. But we know one hour a week just isn't enough! That's why we believe what happens at home is more important than what happens at church. You will have more influence and more time with your kids throughout their lifetimes than we ever could. It's our goal to be your biggest fans and strongest supporters as you lead your kids. We want to partner with you in this great adventure called parenting.

THE STORY OF CREATION

15th January

A WALK THROUGH CREATION: This is a story of how a mighty Creator, took six days to make our world. This was a special plan, as God wanted to make things good and great so that one day; His treasure - many beautiful sons and daughters would have the pleasure to enjoy those things.

FOCUS: Did you know... that it never rained on Earth right up until the time of Noah? Water only came up from the ground. The creation story shows us that God had a special plan to make good things so that both He and His children could love and enjoy it.

IN THE GARDEN

22nd January

A WALK IN THE GARDEN: Can you imagine a garden rich with all the food you can eat, or all the animals you could have as pets? This garden is the secret place where God, our Creator would meet with his first precious son, Adam and first daughter, Eve. This is the first journey of a man and woman with their loving Heavenly Father.

FOCUS: Did you know that all the animals, as well as Adam and Eve only ate plants and fruit in the garden until the fall of man? In the garden is the story of how our loving Heavenly Father, walked with His first children, blessing them with everything they needed in order to live in perfect relationship with Him.

THE GREATEST LIE EVER TOLD

29th January

THE GREATEST LIE EVER TOLD: It begins with the very first lie, where a young man and woman choose to disobey God, by eating fruit that was forbidden. What happens next is that sin entered the world so man had to work hard, as he chose not to listen to God first. Things will never be the same until a day came where a precious Saviour died so that our relationship would be made right with man and his loving Father again.

FOCUS: Did you know that the fruit that Adam and Eve ate from may not have been an apple, but another type of fruit? Though man from this time on had sinned, God would set things right forever by sending His Son to die for us and bring us into a closer relationship with Him again.

A STORY OF FAITH

5th February

A WALK OF FAITH: Would you think it's crazy if God asked you to build a boat, and you did not know how to use it; or to take in 2 animals of every kind to live with you and your family in an Ark? Noah may have thought this was a little strange, but one thing he knew was that God was good; and that he was going to begin again, a fresh start with a great promise and future for him and his family.

FOCUS: Did you know that it took Noah 120 years to build the Ark? Even though Noah and his family had to start new again, they trusted that God was good; and that their Heavenly Father would provide all their needs for the new season ahead.
