The Co\$t of Christmas - Week 2

Philippians 2:5-9

Last week we looked at 3 ways to find VALUE in Christmas. (*1 John 4:9 NIV*)

- 1.) Value that is Measured by MOTIVE - God loves us!
- 2.) Value that is Measured by COST - God came to us!
- 3.) Value that is Measured in Usefulness - God has a promise for us!

The COST of Christmas reveals the CROSS.

Philippians 2:6-8 NIV

Question: What if I were to tell you that it is possible to have the script of your life rewritten, and the rewrite be way better than the original?!

Romans 5:12 NIV

I. The Humility of Christ - *Philippians 2:8*

II. The Obedience of Christ - *Philippians 2:8*

Question: Why was it necessary when God became a man in Jesus Christ that He come as a baby and live a whole lifetime before He went to the cross?

Romans 5:19 NIV

III. The Death of Christ - *Philippians 2:8*

You see, obedience for Jesus required not just that He positively obey the precepts of God's holy Law, but that He satisfy the PENALTY of the Law that I broke... and that you broke.
