Fear Factor - Week 4

Real fears/worries rarely come to pass, and yet they hold a powerful grip on us!

Paul did make it to Rome! The problem was he didn't make it there as a PREACHER, instead, he made it there as a PRISONER!

Philippians 4:4-7 NIV

The SOLUTIONS to Worry & Anxiety that Paul gave to the believer were...

- 1.) The Perspective of Praise
- 2.) Pray Through the Pain

Today I want to talk to you about when you have to Decide!

Question: Has anyone ever stressed over a Decision?

One of the biggest ANXIETY factors in our lives is trying to make the RIGHT Decision!

Question: Why is it so complicated?

Number 1: The Paradox of Choices

Number 2: We can be afraid of making a costly mistake, so we hesitate to make a good decision.

Indecision is a Decision, and it's the decision that so many people are making today.

Acts 15:1 KJV

II. What do you do if scripture doesn't speak directly to the decision that you're trying to make?

The Old Testament has a verse that says, there is a way that seems right to a man, but its end is the way of death.

But in the New Testament, we have some of the spiritual leaders saying it seemed right, and therefore we built the foundation of the church on something that just seemed right.

Question: How could Paul, and James, and Barnabas make such weighty decisions on something that just seemed right?

What I'm about to tell you is one of the most important things you'll hear all year: You do not go to church. The church is not a building. It's never been a building, it's not a

destination. The church has always been, and will always be, a people, it's an identity of which you embrace. We don't go to church, we ARE the Church.
