Verdict! - Week 1

I. Description: The Opening Question - Is Jesus who He said He was?!

Unlike the question "Does God exist?", the question of whether Jesus existed is asked by relatively few people. WHY?

It's well documented and believed that Jesus was truly a man who taught throughout Israel 2,000 years ago. There's no debate in that.

The raging debate has been... But is He God?

This claim to be God was the source of all of Jesus' challenges while here on Earth. In *John 10*, He declares that He was God in the Flesh.

Question: Why is the question of Jesus' identity so important? Why does it matter whether Jesus is God?

John 14:6 NIV

II. Deity: How is Jesus God?

When it comes to answering the question if Jesus is God, we quickly come to the understanding of His DEITY. Now, it is one thing to claim to be God or to fool someone into believing it is true, but it's something else entirely to prove it to be so!

So what are the EVIDENCES?!

- 1.) Actions that can be accomplished only by God are credited to Jesus
- 2.) Miracles
- 3.) The Trinity
- 4.) His own Words
- 5.) The I AM

John 8:58 NIV
