

DIRECTIONS:

Kids will utilize paper and write or draw things they can pray for in each section of the puzzle (home, community, church, and school). Kids will then cut out the puzzle pieces.

Each day of the week for the remainder of “Week of Prayer”, they will add a piece to the puzzle and pray for what’s written on that puzzle piece.

DIRECTIONS:

Kids will cut out the slips of paper that is provided. They will write or draw a prayer they have and place these prayers in a jar at home (mason jar, unused container, bin, etc).

Families will read through the prayers together throughout the week and pray over the kids' prayers!

DIRECTIONS:

Using the paper provided, kids will trace their hand on the bottom portion of the page.

In the **thumb section** of the hand tracing, the kids will write something they are Thankful for.

In the **pointer finger section** of the hand tracing, the kids will write something they are Praising God for.

In the **index finger section** of the hand tracing, the kids will write "I'm sorry" for something they want to apologize to God for and lay down at God's feet.

In the **ring finger section** of the hand tracing, the kids will write something they are Requesting from God.

In the **pinky finger section** of the hand tracing, the kids will write something they are asking for Protection for.

TRACE HAND HERE: **or on the back of this page if more space is needed*

DIRECTIONS:

Using the paper provided, kids will cut out the “Today I am praying for...” cards and write things they are praying for that day and hang them up on the wall as a reminder to pray for these things throughout the days to come.
