THE HOLY SPIRIT - PART 1

QUESTION 1

Get-to-know-me

Have you ever been to one of the world's most famous religious temples? (Angkor Wat, Lotus Temple, Western Wall, Archbasilica of Saint John Lateran, etc.)
If yes, tell the group about the experience.

Had you ever considered the world as God's temple?

QUESTION 2

Into-the-Bible

Read 1 Corinthians 3:16 & 17, 1 Peter 2:5

What are the implications of followers of Jesus being God's temple?

QUESTION 3

Take-it-home

Pastor Nathan shared how, "The church, filled with the Holy Spirit, acts as God's renewing agent in the world. The word renew means "to continue something after it is paused." This is what happens to God's plan once God sends His Spirit. We, as humans, get to re-engage our divine call to partner with God in the spread of His presence across the globe."

What does all of this look like on a practical level? How does it affect how you live?
