### QUESTION 2

Into-the-Bible

**Read Psalm 2 & Psalm 72**

What do these verses tell us that the first century Jews thought the Kingdom of God would look like here on Earth?

**Read Isaiah 9:6-8 & Daniel 2:31-45**

What do these verses describe God’s coming Kingdom?

### QUESTION 3

Take-it-home

Jesus tells us that the appropriate response to His kingdom is to “repent and believe”. As Nate shared, “believing” means way more than simply believing Jesus forgives your sins and will take you too heaven when you die. It means living your life in allegiance to Jesus your king. How does this change how you live your life? How does this change how you communicate the gospel? What does it look like for someone to live their life in allegiance to Jesus?
