THRIVING IN BABYLON - PART 3

QUESTION 1

Get-to-know-me

Have you ever pretended to be someone you're not or used a fake ID? Tell the group about it.

Where do you think most people find their source of identity?

QUESTION 2

Into-the-Bible

Read Ephesians 1:1-14

What does Paul mean by the term "in Christ"?

What are some of the traits that stand out to you in these verses that Paul lists about those who are "in Christ"?

What does it mean to find our primary identity, not in our past or present, but in our future?

QUESTION 3

Take-it-home

Pastor Michael shared how we often find our identity in:

Performance "I am what I do"

Possessions "I am what I have"

Pleasure "I am what I want"

Popularity "I am what others think of me"

Independence "I am who I say I am"

Which of these false sources of identity do you relate to most often? What can you start doing to remind yourself that your identity is rooted in Christ and in who you are becoming?
