RETHINKING HELL - PART 1

QUESTION 1

Get-to-know-me

How old were you when you learned about hell? What contributed the most to your understanding of it? (i.e. movie, play, preacher, parent, etc.)

QUESTION 2

Into-the-Bible

Hell is often used as an Evangelism tool. Perhaps, the fear of hell is why you first committed your life to Christ. Yet, in scripture, nowhere do we find the Apostle Paul (History's greatest missionary) use it when relaying the gospel to perspective converts. Why do you think that is? What does Paul seem to focus on in his evangelism? (Acts 13, 17:16-34)

QUESTION 3

Take-it-home

Pastor Nathan talked about several false (unbiblical) views of hell. Is there one that you've held? How do you think it's affected your view of God and others?
