

We Characterize a gospel movement as the  
Spirit-led progression of gospel  
proclamation, disciple multiplication,  
community engagement, and church planting.

Since 2020,  
Our Workshops, Cohorts, and Intensives  
have served to develop 137  
leaders. These leaders are serving in 33  
churches in 28 cities.

We are currently coaching  
3 Project Leaders and 17 Church-Planters  
serving in 14 cities.
