Houseboats Update

by Brookes August & Cody Pepper

The High School Ministry returned from their annual summer camp “Houseboats” this week, where 105 students attended a week long time of growing closer to Jesus and having fun. Three of the students made a decision to get baptized while attending houseboats. One student, Cherish, walked away from a time of worship and said, “This week my withered heart got watered and it feels so wonderful. I got super emotional and sobbed a lot while worshipping because it was just that incredibly beautiful to me. The world became so colorful in a matter of moments.”
