

1. On a scale of 1-10 (10 being finished, 1 being haven't even thought about it), how are you doing on your Christmas shopping?
2. Read **James 1:16-17**. In a wealthy, self-reliant culture like ours, it's easy to feel like we have everything we need. What is one thing you need right now that only God can give you? Pause as a group to acknowledge your dependence on God and ask Him to meet your needs.
3. Read **1 Corinthians 1:22-25**. What problem are you trying to solve by your own power instead of God's right now? What will you do to rely on God in that situation?
4. This week is the Christmas Toy Shop! Pray for those who will be participating in this special event. Ask God to use it in the spiritual lives of all involved.
