

Patience in Silence

Psalm 88

January 29, 2017

Pastor Jonathan Alexander

1. What is the worst physical pain you have ever experienced?
2. **Read Psalm 88 (break it up among a few readers).** How can you relate to the psalmist and his feelings?
3. The psalms have been used in worship for centuries. In what way might Psalm 88 be considered worshipful?
4. What did you write on your card during Communion this Sunday? How can your group pray for you in that struggle?
5. **Read 1 Peter 2:23-24.** How does remembering what Jesus endured give you comfort in the face of your own struggles?
6. This weekend is Super Sunday. Who are you inviting? Spend some time praying for those who will be at Northshore for the first time.
