There Is No Excuse For Not Believing In God

Romans 1:20 presents an interesting "5 W's" concerning why no one has any legitimate excuse for not believing in God. Here is the text: "For since the creation of the world³ His¹ invisible attributes² are clearly seen, being understood by the things that are made⁴, even His¹ eternal power and Godhead², so that they are without excuse⁵"

1. Who? God. The eternal, existent One. The only one, true God.
2. What? Witnessing and knowing about God's existence and His true nature and power. The evidence and proof is more than abundant.
3. When? Since the very beginning – throughout all of time. There has never been a time when people could not know that there is a God.
4. Where? Literally everywhere the creation can be seen. It is evident and can be clearly observed and deciphered by all.
5. Why? So that we may believe. If we examine all of this evidence and do not believe, then we are without excuse.
