Prayers & News

Kent Bullock: does not have Covid. He is in a nursing facility in Hobbs for about 4 wks then will be moved to one in Artesia as he cannot care for himself anymore. If you would like to send him a card of encouragement, his current address is White Sands Healthcare, c/o Kent Bullock, 5715 N Lovington Hwy, Hobbs, NM 88240. It's not known yet what facility he will be moved to in Artesia.

Daana Pittam: had more issues with her legs & was admitted to the hospital in Lubbock. She was able to go home last Sunday. Lubbock doctors were able to identify part of her problem. She will follow up with the Mayo Clinic next month.

Steve Rounds: had another seizure while at a rehab center in Lubbock. He aspirated & had to be hospitalized for aspirated pneumonia.

Elder Selection Process: Please continue to be in prayer as new elders are considered and chosen. If you have questions about the process, get a copy of the process and timeline located at the Welcome desk or speak with an Elder.

Mark Your Calendars! Ladies Retreat will take place a Sacramento Christian Camp, October 7th - 9th. All Ladies are invited!

The Mirror

I don't like mirrors. Mirrors make me look fat. They make it seem like my hairline is in full retreat. Mirrors make my face older, my hair thinner, my shape more rounded. I don't know what is wrong with these mirrors.

I know what you are thinking, you are going to say there is nothing wrong with the mirror. It's doing exactly what it is supposed to do. Just because I don't like what's in the mirror doesn't make it wrong.

The word of God is described as a mirror (James 1:23-25). One that shows us what we truly are so we then can take action to correct the flaws. If we see something in it we don't like, it isn't because the word of God is wrong, it is because it is showing *in us* what is wrong.

I've found over the years when a person looks at a Bible verse and immediately starts to explain it away, it most often has to do with a person unwilling to change themselves than it does with a misunderstanding or mistake with the text.

If we don't like what the mirror is telling us it is not the mirror that is at fault.
