### **The Amazing Truth of Isaiah 40**

Isaiah 40 is an amazing passage written for a time when God's people had been through suffering upon suffering. The nation had sinned, and the result of their sin was upon their heads. We have seen the result of sin in our nation, today. Family violence is on the rise. Someone is murdered every day. Police brutality fills our newspapers. Politicians throwing their opponents in prison on trumped up charges. All these activities are symptoms of a deeper spiritual problem.

No wonder this nation is now beset with plague and our economy has collapsed. But the prophecy that Isaiah gave in chapter 40 is our message of hope today. If we, as a nation, will follow our Lord Jesus Christ, then we will understand Isaiah's missive. "He gives strength to the weary and increases the power of the weak" (Isaiah 40:29). And, "those who hope in the Lord will renew their strength" (Isaiah 40:31).
