Don't Wait Too Late

A gas station employee working the cash register was swarmed with last minute customers on a holiday weekend. He shook his head in disgust and said to a preacher who was in the line, "It is funny to me that people always wait until the last minute to prepare for a trip they know they are going to take." "I know," said the preacher, "I have the same problem in my business." Read Matthew 25:1-13.
