A Note From The Elders

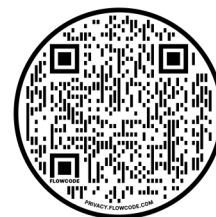

The elders want to thank the Vision Casting Team for their diligence and hard work over the last several months. The goals they came up with have provided a vision which gives us a clear idea of how to reach the people of Artesia with the Gospel of Christ.

Our next step is to begin putting this vision into action. There are five distinct goals within our vision and we are looking for members who have a talent and passion to lead the work in each area. As Peter said in 1 Peter 4:10, "Each one should use whatever gift you have received to serve others." He did not say "If" you have received a gift. God *has given* each one of us different gifts. If you see yourself serving in one of these areas, please make that desire known to us. If you see yourself assisting, also let that be known. If you know of someone whom you think would fit well into reaching these goals, please speak to them and encourage them to serve.

Thank you,
The Elders
