Job Wanted

I would like a job as tutor, teacher and advisor to your family. I will never take a vacation. I will never be out of humor. I don't drink or smoke. I won't borrow your clothes or raid your refrigerator. I will be up in the morning as early as anyone in the household and will stay up as late as anyone wishes. I will help solve any problems your children might have. I will give you the satisfaction of knowing that no question your children ask will go unanswered. For that matter, I will answer any of your own questions on subjects that range from "How did we get here?" to "Where are we headed?" I will help settle bets and differences of opinion. I will give you information that will help you with your job, your family and all of your other interests. In short, I will give you the knowledge that will insure the continued success of your family. I am your Bible. Do I get the job?
