Life Group Connection: Living on Mission

With our Missions Partners joining us this Sunday, let's take time to connect around God's heart for the world and our part in His mission.

1. Heart for the Nations

What part of God's work around the world stirs your heart or captures your attention?

2. Our Mission Field

Where has God placed you—in your family, workplace, neighbourhood, or community—to make a difference for Jesus?

3. Growing in Mission

If you could grow in one area of missions, would it be praying, giving, serving, going, or sharing your faith? Why?

Life Group Discussion

One Step Beyond Sunday

Time: 10–15 minutes

Give everyone a card with this statement:

"Because God is at work in the world, this week I will..."

Invite each person to complete it with one practical response. Examples:

- Pray regularly for a missions partner.
- Invite someone from another culture for a meal.
- Learn about a people group or mission field.
- Encourage someone serving in ministry.
- Look for an opportunity to share Jesus with someone.
- Serve a practical need in the neighbourhood.

People can share their commitment if they feel comfortable.

And/or.....

Time: 15–20 minutes

Show on a screen a world map or have a physical map or globe.

- Remember: Where are our missions partners serving?
- Reflect: What people groups, countries, or needs stir our hearts?
- Respond: Then Pray.....

Take time to pray for all our Main Street partners by name, you can find them on our website
