U.S. ARMY

First to fight for the right,
And to build the Nation's might.
And the Army goes rolling along.
Proud of all we have done,
Fighting 'til the battle's won.
And the Army goes rolling along.
Refrain:
Then it's Hi! Hi! Hey!
The Army's on its way.
Count off the cadence loud and strong!
For where'er we go,
You will always know,
That the Army goes rolling along.

U.S. MARINE CORPS

From the halls of Montezuma
To the shores of Tripoli;
We will fight our country's battles
In the air, on land, and sea.
First to fight for right and freedom,
And to keep our honor clean;
We are proud to claim the title
Of United States Marine.

THE U.S. NAVY

Anchors aweigh, my boys. Anchors
aweigh.
Farewell to foreign shores.
We sail at break of day-ay-ay-ay.
Through our last night on shore,
drink to the foam,
Until we meet once more.
Here's wishing you a happy voyage
home.

U.S. COAST GUARD

So, here's the Coast Guard marching
song,
We sing on land or sea.
Through surf and storm and howling gale,
High shall our purpose be.
"Semper Paratus" is our guide,
Our fame, our glory too.
To fight to save or fight and die,
Aye! Coast Guard, we are for you!

U.S. AIR FORCE

Off we go, into the wild blue yonder,
Climbing high into the sun.
Here they come, zooming to meet our
thunder,
At'em boys, give 'er the gun.
Down we dive, spouting our flame from
under,
Off with the one hel-uv-a roar!
We live in fame or go down in flame, Hey!
Nothing can stop the U.S. Air Force.

THE U. S. SPACE FORCE

We're the mighty watchful eye,
Guardians beyond the blue,
The invisible front line,
Warfighters brave and true.
Boldly reaching into space,
There's no limit to our sky.
Standing guard both night and day,
We're the Space Force from on high.
